

International Association for Identification

Iowa Division

Advanced Crime Scene Investigation Training

August 30th – September 1st

Marshall County Sheriff's Office
2369 Jessup Ave
Marshalltown, IA 50158

You're invited! Nearly four hundred fifty law enforcement professionals from the state of Iowa have attended the one-week Basic Crime Scene Investigation Training in the past ten years. As an attendee at one of those schools you are invited to participate in our 3-Day Advanced Crime Scene Training. You will not find a more intense training session, in a local setting. The instructors are seasoned investigators from throughout the state. Training is open to only those who have completed the Iowa IAI Basic Crime Scene Investigation Training. **Only 15 will be accepted** so get your registration in early.

Practical Hands-on Training to Include:

- Shooting Reconstruction
- Photography for Shooting Reconstruction
- Laser/Trajectory Photography
- Firearm Evidence & Documentation
- Evidence Collection & Preservation
- Advanced Crime Scene Photography
- Latent Fingerprint Development
- Chemical Processing for Latent Prints
- Photography for Latent Fingerprints
- Taking Footwear Exemplars
- Taking Tire Track Exemplars
- Photography for Impression Evidence
- Photography for Fluorescing Chemicals & Fluids

Students need to bring:

- Digital SLR camera with adjustable f/stops and shutter speeds and interchangeable lenses is required
- Tripod
